

The average American consumes about 150 pounds of refined sugars a year. Some drinks have as much as several sticks of candy bars. Parents you should stop buying sugary drinks.

Sugary beverages contribute to the Type 2 diabetes crisis in our country. The American Heart Association tells us to have no more than 6 teaspoons or 24 grams for women. Men are allowed to have 9 teaspoons or 36 grams of refined sugars each day. High intakes of

To many parents are buying sugary drinks. This is causing obesity. I think people should stop buying sugary drinks. This also causes tooth decay. If we stop buying sugary drinks it would stop obesity.

1. Overall, how would you describe the writing's use of source material? Select the option that best describes the writing's overall use of source material. *

- ☐ Skillfully integrates source material to fully support the paper's claim
☐ Integrates source material to support the paper's claim
☐ Uses source material in ways that somewhat support the paper's claim
☒ Summarizes or copies source material; may or may not present a claim
☐ Does not use source material

2. Does the writing distinguish between the student's own ideas and the source material, including the use of clearly indicated paraphrasing, quotation marks, or signal phrases? *

Not present

Developing

Competently

Effectively

3. Does the writing comment on the source material? *

Not present

Developing

Competently

Effectively

4. Does the writing characterize the credibility of the source material or author? *

Not present

Developing

Competently

Effectively

5. Does the writing use source material for any of the following purposes? Check all that apply: *

- ☒ Illustrating | Use specific examples from the text to support the claim
☒ Authorizing | Refer to an "expert" to support the claim
☐ Extending | Put your own "spin" on terms and ideas you take from other texts
☐ Countering | "Push back" against the text in some way (e.g., disagree with it, challenge something it says, or interpret it differently)
☐ None of the above

6. What do you see as next steps for this student? *

Work on making source material stand out and add their own "spin" (extending)
