**How will students get to practice/
other activities if they get home late ?**

What conflicts would your plan create with the all ready existing activities such as zero block, before and after school activities, work schedules, and social events?

Would the trouble of changing school starting and ending times be worth the work and potential complication?

**How would the teachers feel
about starting earlier/ later ?**

What time do you think we should start school and why?

**Would starting at a different time
effect student performance?**
